INTERIOR DESIGN & ARCHITECTURE

Luciana Fragali

Your Vision, Design Solutions' Expertise – A Perfect Harmony in Design

Luciana Fragali, the visionary founder of Design Solutions Miami, is a luminary in the world of luxury interior design. For nearly two decades, she has transformed the art of design, creating bespoke, one-of-a-kind spaces that embody sophistication, elegance, and unparalleled comfort.

Ponce Davis, Coral Gables

Based in Coconut Grove, Florida, her studio has become synonymous with excellence, completing over 450 extraordinary projects that captivate clients in South Florida and beyond.

At the heart of Design Solutions Miami is Luciana's relentless pursuit of excellence, defined by her devotion to her clients, working exclusively on their behalf with absolute integrity and transparency.

Her elite team of professionals orchestrates each project with the same passion, precision, and artistry, ensuring seamless execution from concept to completion. Through unwavering attention to detail, she creates spaces that consistently surpass the highest expectations of luxury living.

Clients are drawn to Design Solutions' truly singular design sensibilities, which bring their personal tastes and desires to life, harmonized perfectly within the vibrant context of their home's setting.

Luciana's aesthetic masterfully blends the timeless elegance of South Florida design—infused with art deco flair and coastal charm—with the sleek modernism and clean lines that define the avant-garde hub of Miami, underscored by a refined global perspective.

Each project emerges as a bespoke masterpiece—a harmonious blend of timeless elegance and contemporary sophistication.

The result is a residence that feels rooted in history, yet future-forward; comforting and yet elegant; and most of all, a haven for the unique lifestyle that you lead.

“To me, accessories are more than just decor—they’re the heartbeats of a home.”

- Luciana Fragali

Vita Coconut Grove

A *Process* Where *Excellence* Meets Ease

Your busy lifestyle demands precision, efficiency, and excellence at every level.

The Design Solutions team is here to make creating your dream home not only possible—but blissfully simple.

The firm's expertise extends beyond visual mastery, encompassing innovative solutions with a deep understanding of budgets and cost efficiency.

Design Solutions has perfected a process that bridges architectural design, construction, installation, and decoration, in one smooth end-to-end flow, so you don't need to manage multiple vendors or contracts.

And, the boutique size and limited acceptance of clientele allow the firm to devote unparalleled personal attention to each project.

Simply sit back, relax, and watch your vision come to life.

Vita Coconut Grove

1. Consultation & Project Review

An in-depth meeting to understand your needs and lifestyle, while defining the project scope and budget.

2. Project Kickoff

Gather plans and commence work, aligning all details needed to make your vision come to life.

3. Design Development

Craft layouts, elevations, 3D renderings, and select finishes, furniture, and fixtures.

6. Procurement

Manage orders and secure approved materials and services.

5. Drawings & Selections

Finalize construction documents and detailed specifications.

4. Presentation & Budget Review

Present designs and refine budget estimates for your final approval.

7. Reveal

Come home to the grand unveiling of your new extraordinary living space.

8. Furniture Installation & Styling

Personalize your space with perfectly curated furnishings, artwork, and accessories.

9. Site Management

Oversee daily progress, and address any challenges on-site.

Ponce Davis, Coral Gables

What Sets *Us Apart*

You have many options when selecting a design team to steward your vision.

When you work with Design Solutions, you get a team of creative professionals whose dedication to your project will match yours step-for-step.

Experience That Runs Deep in South Florida

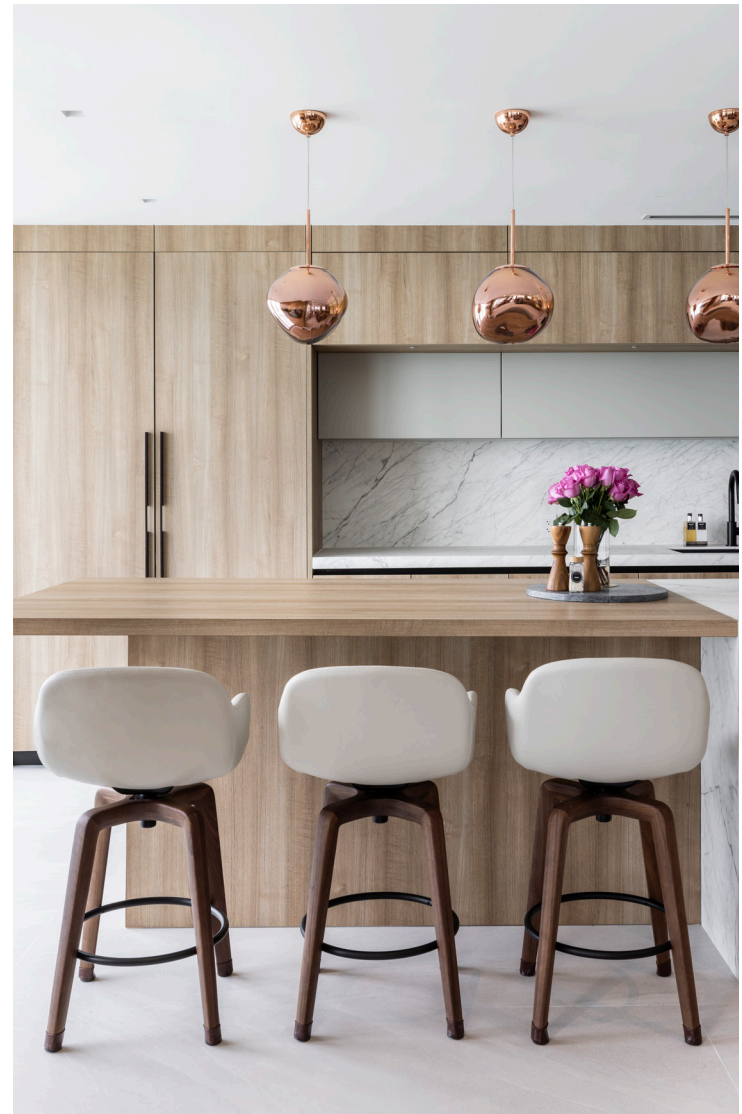

Interior design is a complex journey that requires expert navigation to bring your vision to life seamlessly and within expectations.

Choosing a local interior design team ensures your project benefits from expertise informed with the region's unique requirements, from zoning laws to sourcing materials.

Design Solutions' deep understanding of building codes, association rules, and specific regulations prevents delays that can arise from unfamiliarity.

The team has established relationships with trusted suppliers and contractors, enabling smoother negotiations and preferred access to premier materials and craftspeople. Daily, on-site project management is always provided, ensuring work is executed precisely to specifications while maintaining the highest quality standards and timelines.

Let Design Solutions' local presence, experience, and hands-on approach transform your vision into reality with precision, for exceptional results every time.
